Year 5 Home Learning Grid - Autumn 2

Please bring in/submit your home learning on Monday 14th December. Rewards: 1-3 = Bronze 4-6 = Silver 7 = Gold.

English - **Reading Comprehension** Complete the reading comprehension about William Shakespeare. There are three activities to choose from and the answers are also included. Activity 1 reading text, answer sheet and answers (pages 1-4) Activity 2 reading text, answer sheet and answers (pages 5-10) Activity 3 reading text, answer sheet and answers (pages 11 - 16)	**English** - **Grammar (Week 1)** Complete the comma activity using the same sentence twice, putting commas in different places to change the meaning.	**Maths - Sumdog** Log into Sumdog to complete the following activities: Week 1: Multiples and factors Week 2: Prime numbers Week 3: Multiply and divide numbers up to 4 digits Week 4: Multiply and divide by 10, 100 and 1000 Week 5: Multiplication and division problems Week 6: Measure and calculate perimeter Week 7: Measure and calculate area
Maths - Calculation (Week 2) Complete the multiplication activity matching a pet to their owner by solving the multiplication question on the pets to the answers on the owners. There are three levels of activity to choose from.	**Project 1 - Anglo-Saxons and Vikings (Week 1 and 2)** Create your own Viking shield using any material that you would like (materials from home). Include a boss in the middle, edging around the outside and an interesting design. You could use silver foil for the boss and edging and paint or felt tips for the middle. Look at the images on the Google Doc for some ideas	**Project 2 - Science - Materials (week 4 and 5)** Reversible and irreversible changes Complete the activity sheet about 'Reversible and Irreversible Changes'. Where possible, carry out some of the experiments after you have made your predictions.
PSHE - Celebrating Differences (Weekly) In PSHE, we will be discussing what bullying is. Make an anti-bullying poster for our classroom.
